On September 17th, 2015 Defiance County Prosecutor Morris Murray called this officer and asked that a interview be conducted with Rolando Valle and his attorney Steve Sondergaard at Defiance Common Pleas Court. Rolando Valle is currently under indictment for Trafficking in Cocaine in Defiance County and Rolando was there at the court house for a pretrial hearing. Rolando was arrested on the Defiance County grand jury indictment on August 18th, 2015 and has been incarcerated at CCNO ever since.

Rolando Valle was given the opportunity to provide any helpful information to law enforcement in regards to any open cases or illegal activity taking place. Rolando stated that he was incarcerated with Cullen Parsons at CCNO. Rolando explained that Cullen Parsons was incarcerated for shooting a jogger in Henry County. Rolando explained that they were talking about guns and that is how the conversation started with Cullen. Rolando stated it was just him and Cullen sitting together in the DM Unit when the conversation took place. During the conversation Rolando had with Cullen, Rolando stated, "he was talking about guns, he said that he got fucked up one night, he just drove by and seen some random person and he wanted to try out his gun, and he just started shooting at that jogger".

Rolando also stated that Cullen told him he threw the gun in the yard and then the Sheriff found it. Cullen then explained that is why he was charged with a gun spec. Cullen had mentioned that he had a 1911 Colt style gun.
